

OFFICE OF
THE ELECTRO-DYNAMIC COMPANY
OF PHILADELPHIA.

No. 224 CARTER STREET,

Philadelphia, June 8th 1882

To Daniel M. Fox,
Supt of the Mint of the United States,
Philadelphia, Pa.—

Sir:

We propose to furnish the wire, the moulding for concealed work, the double pole cut-outs and do all necessary work to wire the North Room of the annex to the Mint of the U. S. at Philada. for incandescent electric lights not to exceed fifty in number, for the sum of fifty (50) dollars. We understand that all wires are to be concealed in moulding, all branches to be supplied with double pole cut-outs, and the entire work to be done in accordance with the requirements of the Board of Fire Underwriters.

Respectfully submitted.
